POSTER PRESENTATION GUIDELINES

1. Presenters for the poster presentation should send no more than 2-3 minutes of audio recording that explains the introduction, methods, and result chapter of their research.
2. Voice recording should use common audio file such as *.mp3, *.wav, *.wma.
3. Presenters should send their presentation poster file (*pdf)
4. Poster and audio files presentation should be sent to https://ipb.link/oral-poster-eis2023 no later than 5 November 2023.
5. The poster size should be appropriate for online presentation. We strongly recommend using Portrait A1 consisting of a Title, Abstract, introduction, Method, Result, conclusion, and acknowledgment (optional).
6. All the presenters should be present during the poster presentation
